

Buildings and Lands Committee

The buildings and Land Committee met briefly Friday, Jan. 20th at 12:00 pm. Members present were Mike Webb, Jeff Randolph, and Jimmy Wells. Discussion was on giving out bids for roof repair jobs on dugouts and score keeper stands at both east and west end parks. It was decided that Jimmy would give Wade Construction a copy of the specs and Jeff would give Payne Construction a copy so they both could place bids.

No further action was discussed.

Meeting was adjourned.
