

**CARLISLE-NICHOLAS COUNTY  
INDUSTRIAL DEVELOPMENT AUTHORITY  
SPECIAL MEETING  
MAYSVILLE COMMUNITY COLLEGE  
JUNE 29, 2012  
9:00 A.M.**

A special meeting was called to discuss what needed to be done to get fall classes for Maysville Community College to start in Carlisle and Nicholas County.

Those in attendance were Chairman Bascom Sorrell, Bob Sparks, Paul Mulhollem, Gene Kelley, Mary Stewart, Judge Kenny Lyons, Martha Taylor, Justen Pate, Kay Seither and Bruce Florence.

The main discussion was what the board needed to do to get things started so classes could start in the fall and this facility.

Listed below are some of things that would need to be looked and changes made:

1. Bathrooms
2. ADA requirements
3. Classes for start up
4. How many rooms would be needed
5. Which area would be suitable to have the classes and administration
6. Prodcast to the public about classes for the fall
7. Teachers

Several things were discussed in length. Need to look at such things as electric, cable and internet. Need to see if city and county governments will help with these items.

The college will get with Mike Blevins and Tracy Royce to look at our facilities and see which would be the best way and area to have the classrooms.

Respectfully submitted:
